RE: Retirement Announcement

Greetings!

I announced to the ALCA Board of Directors last night that it is my intention to retire as Superintendent of Schools/CEO effective August 23, 2019. While it has been a difficult decision, my wife and I both agree that it is now the right moment for us to devote more time to ourselves, our children and our grandchildren.

It has been a pleasure and a privilege to serve the students, the parents, the staff and the Board of the Almadina Language Charter Society.

I wish you all the best in your future endeavors.
