

How to use First Student Bus App

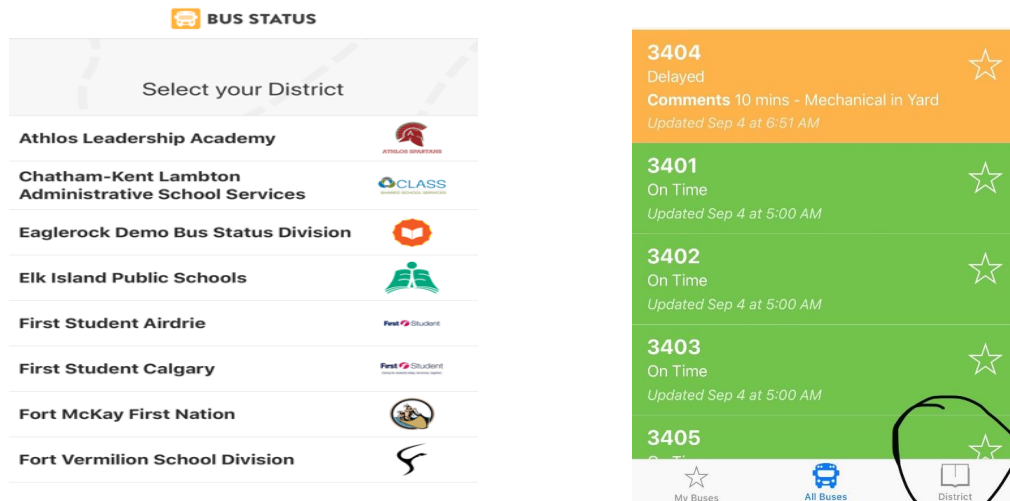

1- Search the app “Bus Status” on either Apple Store or Google Store

2- Download the app “Bus Status”

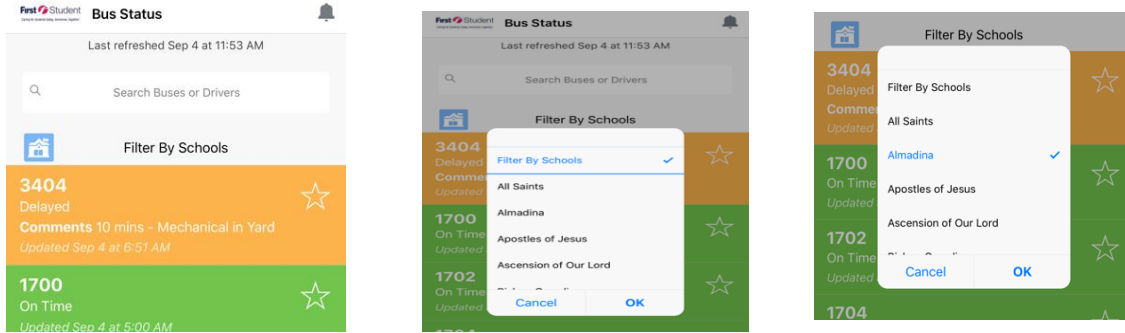

3- Open the app and select the district “First Student Calgary”. If it does not show, click on “Districts” at the bottom

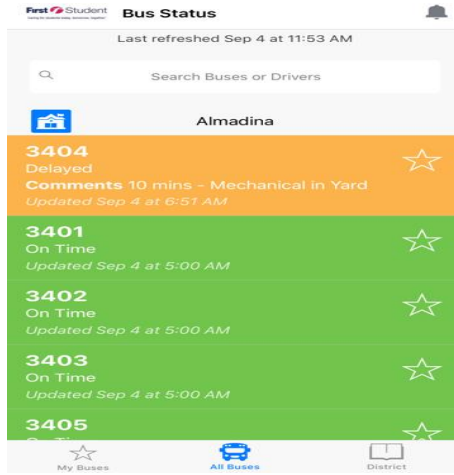

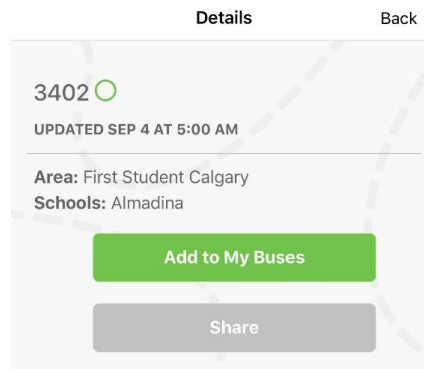

4- Click on “Filter By Schools” and Choose “Almadina”

5- You can track the late Buses

6- Choose your child Bus and add to “Add My Buses”.

7- Go to my bus, where you can track your bus
