

Office of the Superintendent

Memo

To: Parents of Almadina Students
From: Jamal ElRafih, Superintendent of Schools
Date: September 2, 2020
Re: Bus Monitoring Application from First Student Canada

First Student Canada – ALCA’s bus service provider – has a new free application for iPhones and Smart phones to help parents monitor bus route delays.

Table with 2 columns: Steps and Description. It contains 4 rows detailing the steps to use the My School Bus Calgary app, including downloading from the App Store or Google Play, adding buses, receiving notifications, and checking bus status.
