

Setting newcomers up for success

December 6, 2021

Organizations can apply for grants that help newcomers access services to make Alberta their home and contribute to economic recovery.

Non-profit organizations supporting newcomers building a new life in Alberta can apply for Alberta's Supports for Newcomer Integration grants.

Through the grant, organizations help newcomers access public services such as health and education, learn English and settle into a new life, making Alberta a more diverse and prosperous place.

Organizations across the province provide crucial services, funded through Alberta's Supports for Newcomer Integration grants, to ensure newcomers can make Alberta their home and thrive.

Eligible organizations can apply until Jan. 4, 2022, for funding to build Alberta's immigration support network. Grant funding will be provided for two years, April 2022 to March 2024, allowing organization to plan for consistent services.
